

Super Ball 2022 ACCOMMODATION

Just like in 2021, the official hotel and venue for the 2022 edition of Super Ball is the **Clarion Congress Hotel of Prague** - offering slightly more expensive rooms than in past locations, but much better quality and service.

The Clarion Congress Hotel, located in **Freyova street 945/33, 190 00, Praha 9-Vysočany**, has everything anyone can need for a comfortable stay, including **indoor parking for 12€/night**.

The hotel acts as a self-contained venue in itself: the whole event will take place in the massive **conference hall** inside the same building, just a three-minute walk from the mall that is also located in the premises. This **shopping mall** offers several clothing and food stores, as well as the all important food court. The complex is surrounded by typical Czech bars and pubs, thus providing some excellent nightlife opportunities also.

HOW DO I BOOK MY BED?

This year we have enough capacity for both participants and visitors in a single place; however, we would need all attendees to book their rooms as soon as possible to ensure there are enough spots available. **We advise all freestylers and attendees to do the registration and payment in advance to make sure they get a room.**

In order to book your bed, users will need to access the Super Ball registration platform at GameDay (link available on the WFFA and Super Ball websites), select their preferences and pay accordingly. If a user would like to stay in a room with a **particular friend(s)**, we ask them to write it in the “**Preferred Roommate**” space.
