

## Official Super Ball accommodation 2020

After great 8 years in Hotel Slavia and 1 test year in Top Hotel Prague on 2019 we are moving with official accommodation elsewhere. Letnany area, where we have the whole venue, is quite remote so there are not many options. But we found one option which will accommodate all our needs.

Our official hotel is Clarion Congress Hotel Prague – little more expensive rooms but much better quality and service worth every cent. **Every football freestyler from registration** will be accommodated in this hotel.

Hotel has everything what is needed for comfortable stay. **The only disadvantage is that to the venue of Super Ball 2020 PVA Expo Prague it is around 10 minutes bus ride.** But there is great connection Vysocanska – Letnany by bus (10 minutes). There will also be shuttles which will take you for 200,- Czech koruna's to the venue or back. If you share among 4 people it is €2 per person.

Additionally this hotel is connected to the shopping mall with various clothing and food shops as well as food court. It is laso surrounded with typical Czech bars and pubs so night life is expected to be very good.

Type	Price
Hotel double room ****	€ 29

*\*Prices are per person per night and include continental breakfast*

Address: Freyova 945/33, 190 00 Praha 9-Vysočany

Phone - Front desk: (+420) 211 131 139

### **How do I reserve my bed?**

This year we believe we have enough capacity for both participants and visitors. On one place. But still there is only certain number of rooms reserved until certain deadline. **We advice you to do registration and payment in advance to avoid not having a place for you.** Through registration you select whether you are guest or participant, then it takes you to the registration process.

You reserve your bed through the **registration and online payment**. Once on the registration page you have to inform us that you are interested in accommodation and you will also have to inform us when you arrive, what kind of accommodation you want and for how many nights you wish to stay. If you want to stay in a room with **your friends** please write it in **Preferred roommate** space.

As soon as you choose number of nights and finish registration form there is going to be final **sum of money**, which will include food, registration and accommodation. This sum should **be paid straight after** you register via bank transfer according the instructions. As soon as you pay your registration pack your bed is going to be booked.

If you have any question regarding your bed reservation or registration itself please contact us.
