

Pocket money

This year we have decided to provide you full service. As much as possible we will try to keep all your needs under one roof so you don't have to wonder around area too much.

It is always better to have cash so you can use it in small stores but usually in most of the stores you can pay by **credit card**. All supermarkets and modern shops accept variety of credit cards.

By the venue there will be Food Truck which will offer variety of meals for around €10 for lunch and for dinner. So that we think will be option number 1 for you.

Average **dinner at lower-class restaurant** in Vysočany is around **€10** with drink. If you will eat there every day it means approximately **€70** for dinners. McDonald's menu is **€8** so you can save **€130 for meal** overall the whole week. In Food Court of Fénix Mall there is variety of options every day. And it is literally next to the hotel reception.

Many people were also comfortable with shopping in Billa (ground floor of Fenix Mall) and then eat sandwiches or instant noodles. This time we are not in close range of 24/7 Tesco but there are few smaller convenient stores close to hotel and competition area which are open from 7:00 to 20:00 every day. It is way cheaper and you can make everything at the hotel.

Public transportation for 90 minutes anywhere **costs €1,20**.

We recommend to have €250 to have brilliant week full of luxury.

In case you want to do some traveling around Prague before or after event, you need at least **€50 per day** for travel card, whole day meal and souvenirs.

Attention: In Czech republic you cannot pay by Euros. You need to change your money to „Czech koruna“ to be able to operate and be able to buy stuff. The easiest is to change Euros (€), but you will be able to change US dollars (\$) or British pounds (£) easily.
